FWS Program- Quick Start Guide for Student

FWS- Placement Process

Step 1: Access at <https://laguardia.studentemployment.ngwebsolutions.com/>. Login with your LAGCC email and password. **Note:** Link is best compatible with Chrome or Firefox.

Note: All federal work-study correspondence will be sent to your LaGuardia CC email account. LaGuardia CC students are assigned an email account upon completion of a successful registration. The college strongly recommends that you login to your e-mail account at least once every 6 months, to ensure that your messages and attachments are kept intact. In the event that you do not login to your email account for an extended period of time, it will be disabled. If your account is disabled, you must re-activate it to receive any emails. **All federal work study students must have their LaGuardia CC email account active before applying for a job.**

If you encounter any problems accessing your LaGuardia CC email account or need assistance re-activating your LaGuardia CC email account, please contact:

Step 3: Applying for Job

You can also submit an online job application by clicking on the ‘Apply for selected Jobs’ link and completing the application. All the requested information must be completed on the application, incorrect entries will cause your application to be rejected (students must use their LaGuardia CC email address when completing the application).

You may choose to add a resume to your application. Select the ‘browse’ button to find your resume on your computer and click the ‘Submit’ button to upload the file. If you do not wish to upload your resume, click ‘NEXT’ to continue.

An application receipt will appear once you submit an online application. Print this receipt for your records as it will be the only proof that you applied for that position. Your application will be emailed to the supervisor for review. All emails correspondence will be sent to your LaGuardia CC email account. **If you do not receive an email response of your application status, you may contact the supervisor directly by phone or by visiting the department.**

Discuss the job duties and work schedule with the supervisor (during the interview) before you accept a position. Once you accept a job position, you are expected to remain at that job site until you have exhausted your FWS funds.
